

Measuring Your Hands for Batting Gloves

Whether you're buying new batting gloves in-store or online, knowing the proper way to measure your hands is essential to finding a pair of batting gloves that fit perfectly. Below we have provided the steps to measuring your hands in the efforts to make finding the right sized batting gloves a little easier.

Step 1: Place your dominant hand palm side up on a flat surface, with you fingers straight and firmly pressed together.

Step 2: Using a tape measure or ruler, measure from the base of your palm to the tip of your middle finger.

Step 3: Using the measurement you got from measuring your hands in step 2, determine your batting glove size by comparing that measurement to the sizes in the size chart below
